***Notes regarding course requirements:*

- Science courses should not be taken online if you are seeking admission into medical school.
- Additionally, the pre-requisite is not recognized if it was taken AP in high school, or through CLEP.
- Upper division courses are listed as 300/400 or higher (or 3000/4000).
- An intensive writing course usually requires students to write a paper at least 10 pages in length.

If at the time you transfer, your courses are not accepted according to the information on this guide, contact the person/office at your transfer institution listed on the top right-hand corner of page one on this guide. If satisfactory resolution does not occur, contact an ARCC counselor for assistance.

NOTE: This information should be used with the catalog of the intended transfer college, not in place of it. Changes in requirements occur periodically, so check with both the transfer college and the Anoka-Ramsey Counseling Center at least once a year for updated information.
