Advance IT Minnesota Alumni Association Event

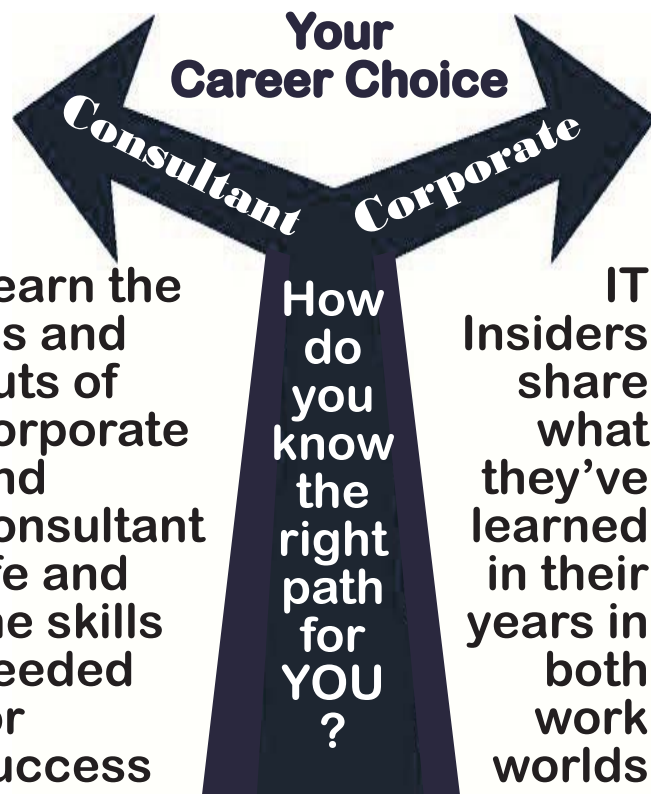

all about 

Do you know the top 3 strategies for using LinkedIn before or after graduation?

Do you know the biggest mistake you can make using the site?

Maybe? No? Think so?

Then you need to hear what **LONNY GULDEN**, the Twin Cities LinkedIn guru has to say so you use this success tool to your best advantage!

Learn the ins and outs of corporate and consultant life and the skills needed for success

How do you know the right path for YOU?

IT Insiders share what they've learned in their years in both work worlds

Christopher Davis
