

CHAPTER 5: Administration

Policy 5G.1: Space Management: Keys/Proximity Card Access

The management of keys/proximity cards at the college will be driven by required access for faculty, staff and appropriate contractors. The safety of the people, security of state property, and safe keeping of private information are considered when determining appropriate access for faculty and staff.

History:

07.2001 Amended

10.2008 Amended to include proximity card access
