

## CHAPTER 1: Organization and Administration

### Policy 1A.9: Environmental Health and Safety

#### Alcohol and Drugs

The use or possession of alcoholic beverages or illegal drugs on campus is prohibited.

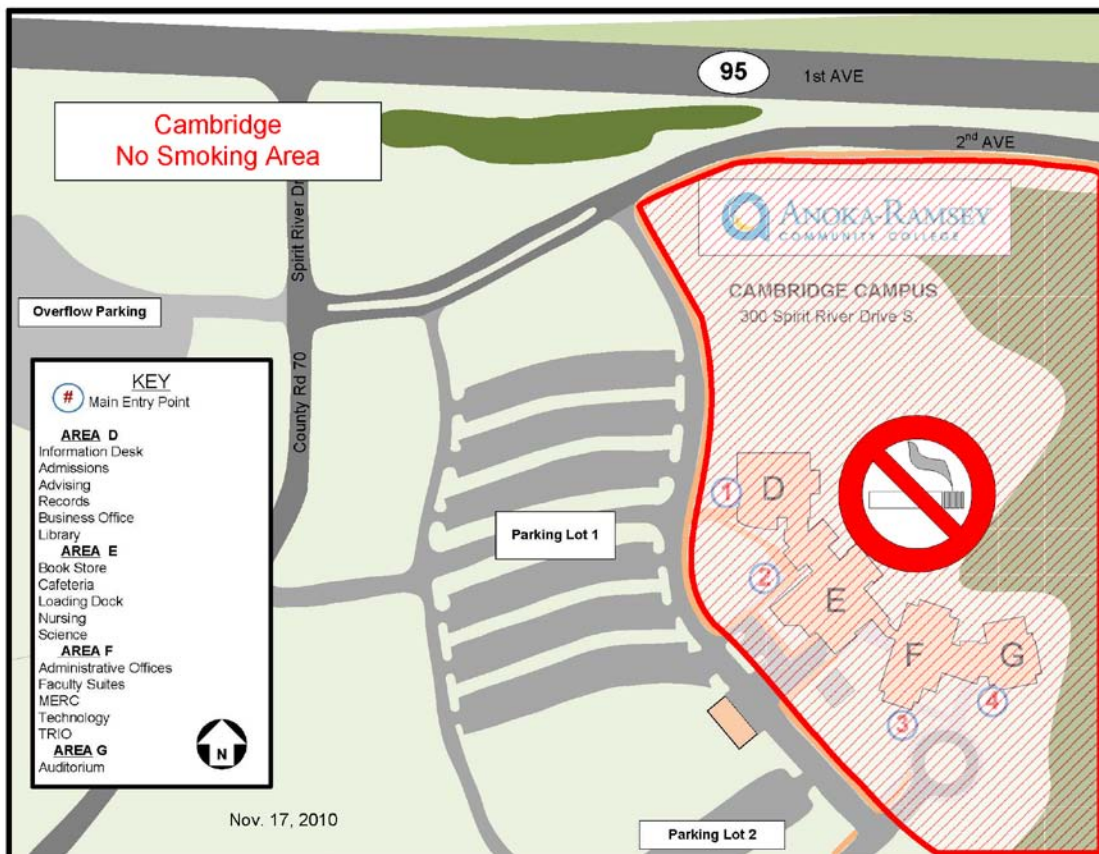

#### Gambling

Gambling is prohibited on campus.

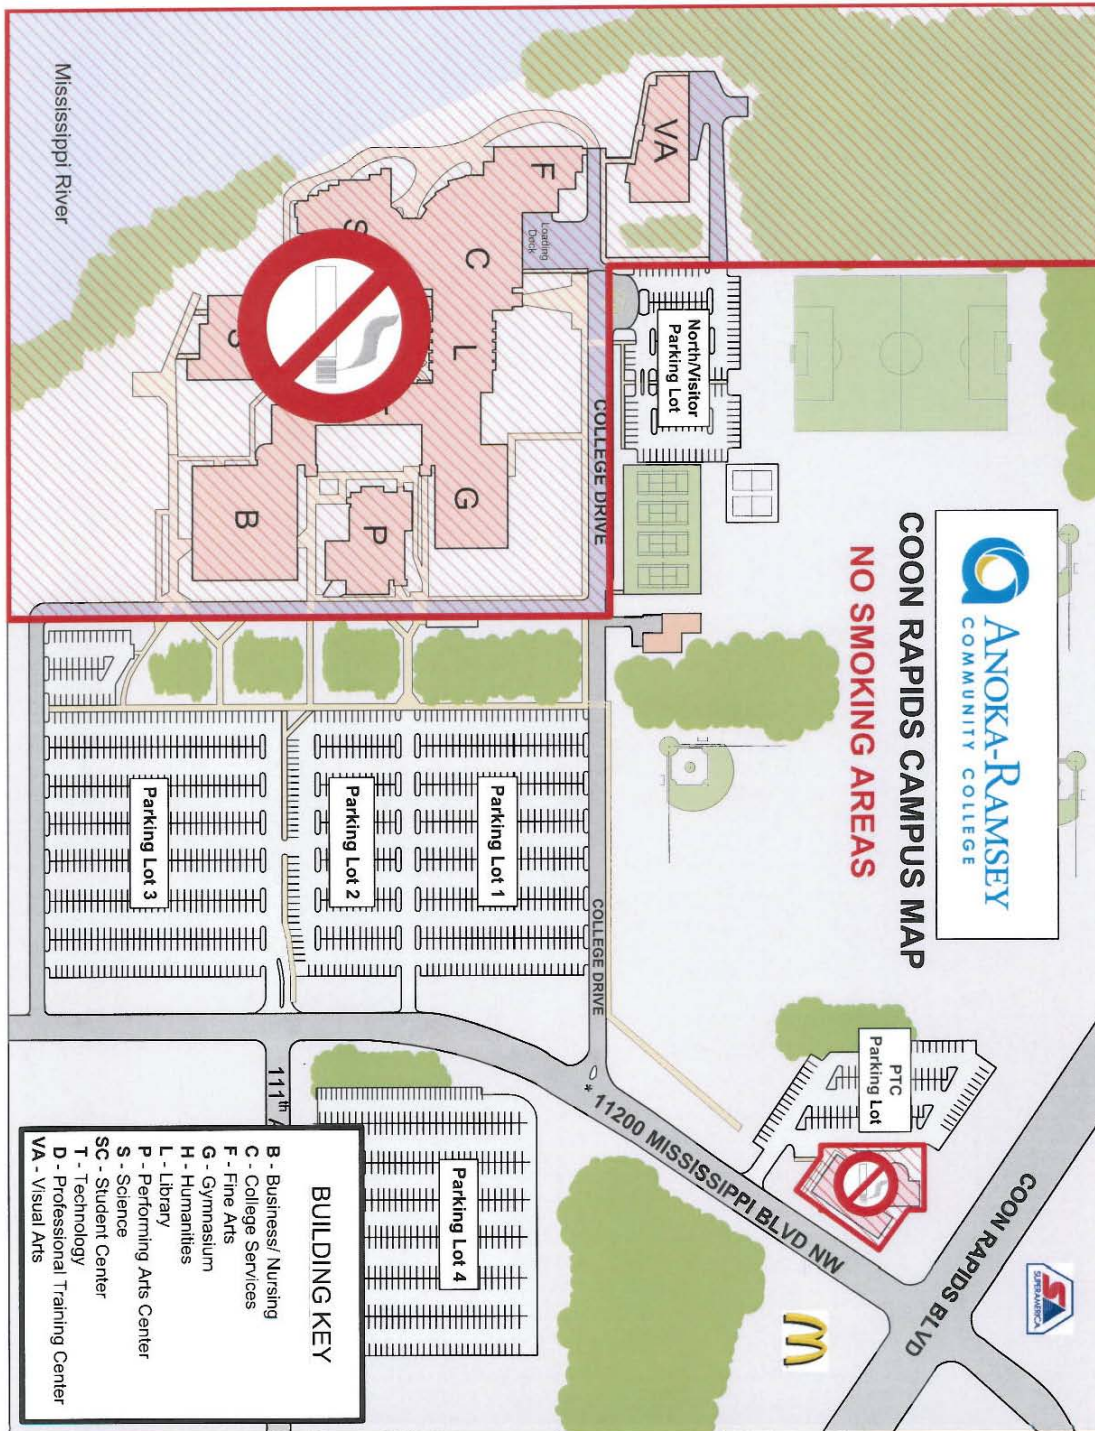

#### Tobacco

The buildings of Anoka-Ramsey Community College are tobacco-free. Specific tobacco product use areas are designated and tobacco product use is allowed only at these locations. All designated tobacco product use areas will be a minimum of 50 feet from any entrance or building. People using these locations are expected to keep the area litter free. For building/courses that are held away from the main campus, the facilities policy will apply to that site. For locations that do not have a specific policy, a tobacco product use area will be established away from the building entrances by a minimum of 50 feet.
