

## Finding the Right Type of Course

When you're trying to find the TYPE of course best suited to you, it helps to know what we mean by "delivery"—especially when you're thinking about online or accelerated courses. After you've found a course that interests you, it's also very important to check the **NOTES** for important messages.

In the Course Schedule drop-down menu for Delivery, you can search for "All" or three different types: **Classroom**, **Online (web only)**, and **Hybrid Classroom/Online**.

Here's what the terms mean. It's not always obvious!
