

Grades Quick Start

Use the Grades tool to check your grades on assignments and tests. You can see your individual grades and comments, as well as class averages and feedback. You can also view your final grade and the grade formula used to evaluate you if your grades are released.

The Grades page

To access the Grades tool, click the **Grades** link on the course navigation bar.

The screenshot shows the 'Grades' page interface. A table lists various grade items with columns for 'Grade Item', 'Weight Achieved', 'Grade', and 'Comments and Activities'. Callouts point to specific elements: a 'Print' button, a 'Weight Achieved' value (85 / 100) with a formula icon, the 'Grades' link in the navigation bar, the 'Weight Achieved' column, the 'Grade' column, a comment 'Individual Comments:Greate notes Frank!', 'View Activities' links, and the 'Tests' section.
