Accounting Program

Associate in Science Degree

2008-2009

Program Information: This program is designed for possible employment at the associate-degree level and for transfer to a bachelor's degree in accounting. It will transfer in its entirety to Metropolitan State University. It may transfer in part or in entirety to other baccalaureate institutions. Students should meet with a representative of the transfer institution or obtain a current catalog from the transfer institution when planning their program. For additional information about our business programs, visit our Web site at www.AnokaRamsey.edu.

Program Goals: By completing this program, students will achieve the following learning goals: 1) function effectively in a diverse, global business community; 2) use critical thinking skills to analyze and solve business problems; 3) demonstrate effective interpersonal skills and professional attitudes; and, 4) demonstrate effective business communication skills.

Developmental Courses: Some students may need preparatory courses in the areas of English, mathematics, or typing/keyboarding. Courses numbered below 1000 will not apply toward the AS degree.
